Paul,

I would like to thank yourself and your team for the courteous and timely service provided to Dstl.

The order was placed with an extremely tight delivery window, despite this the goods were delivered on the promised date. I also welcomed your regular e-mails informing me of the progress of the order. There maybe a requirement for another order in the near future and I would not hesitate in placing the request with yourself.

Regards

A handwritten signature in black ink, appearing to read 'Tracy Lench', is written over a faint, illegible printed name.
